State of Utah

DEPARTMENT OF NATURAL RESOURCES

MICHAEL R. STYLER
Executive Director

Division of Water Rights

KENT L. JONES
State Engineer/Division Director

December 9, 2013

Cedar Valley Committee: Brent Jones, Paul Nelson, Ramon Prestwich

I am attaching two resumes received for the Cedar Valley Co- Commissioner that will do the GPS Mapping. Please review the enclosed.

Also if you could mark your calendars for interviews to be conducted on December 17th at 5:00 and 5:30 PM at the Water Rights office in Cedar City. It would be helpful if you can arrive a little early at 4:45 PM. We will briefly go over procedures and some questions to be asked.

- **Lynn Nelson interview is set for 5:00 PM**
- **Montano Rugebregt interview is set for 5:30 PM**

If you need anything else in the meantime please contact me. I can be reached at (801) 538-7430.

Sincerely,

Mike Silva
Distribution Engineer

Enclosures: 2 Resumes

Objective: to be water commissioner for the Cedar Valley Water Distribution System

Experience: Registered Land Surveyor(Utah) and Lead Draftsman

Platt and Platt Inc

August 1974 to present

Extensive use of Auto-Cad. All aspects of land surveying. Extensive experience mapping and calculating surface water distribution systems in Iron County and elsewhere in southern Utah.

Extensive knowledge of Cedar Valley water rights and land ownership.

Other experience includes use and maintenance of family farm water systems and the Union Field Irrigation Company distribution.

Education: Associate Degree 1974

Utah Technical College-Provo(Utah) now Utah Valley University

Continuing Education in the use of Auto-Cad as each upgrade became available including Auto-Cad 2012.

Note: Willing to obtain continuing education for the parts of the qualifications GIS and Arc View software specifically that I only have a limited knowledge of. All other qualification have been part of my job description for the last 39 years.
